
Investigating Interactions Dynamics Relationships Clients

investigating the interpersonal dynamics between coaches ... - that underline interactions between coaches and athletes, the current study aimed to explore the interpersonal dynamics of the coach and the athlete by employing attachment theory (Bowlby, 1969/1982, 1988). **investigating the ontology of wac/wid relationships: a ...** - 52 investigating the ontology of wac/wid relationships: a gender-based analysis of cross-disciplinary collaboration among faculty Sandra I. Tarabochia **modelling the dynamics of business interaction** - modelling the dynamics of business interaction competitive paper abstract that companies are embedded in open boundary-less networks and have multiple direct and indirect relationships with a number of other organizations cannot be disputed. indeed, this has been a long standing proposition of researchers embracing a network view of relationships. the idea of interdependency between companies ... **1 methodological considerations for investigating the ...** - studying complex multimodal interactions are lagging. this paper outlines a systems approach for characterizing fine-grained temporal dynamics of developing social interaction. we provide best ... **dynamics within intimate relationships and the causes ...** - investigating relationship dynamics to illustrate how intimate relationships are pivotal to the causes, consequences and function of sexist attitudes. figure 1 summarizes the principles and ... **sea ice dynamics across the mid-pleistocene transition in ...** - investigating the interactions of sea ice dynamics with ocean circulation and productivity patterns and identifying the role of sea ice for major climate transitions is critical for our understanding of arctic and sub-arctic climate. one such climate transition during the quaternary period is the mid-pleistocene transition (MPT, 1.2 – 0.7Ma). the MPT marks a fundamental shift in frequency ... **investigating fine temporal dynamics of prosodic and ...** - investigating fine temporal dynamics of prosodic and lexical accommodation Francesca Bonin 1, C'eline de Looze, Sucheta Ghosh 1, Emer Gilmartin, Carl Vogel 1, **investigating interactions between water and society on a ...** - Khan, Hassan Furqan, "investigating interactions between water and society on a global scale: econometric analyses of hydroclimatic variability and water policy" (2016). environmental & water resources engineering masters projects . **advanced methods for investigating nutrient dynamics in ...** - advanced methods for investigating nutrient dynamics in soils and ecosystems 4-7 March, 2013 **community detection via local dynamic interaction - arxiv** - with relationships, or interactions among proteins. modeling the change of the relationships provides an intuitive image of the network dynamics. more importantly, insight into distances provides a more generalized way to analyze the networks in a metric space, rather than in a vector space in traditional dynamical analysis. this is quite beneficial to network analysis as the only information ... **investigating non-linear relationships between urban ...** - interactions (Karr and Yoder, 2004; Novotny et al., 2005), and has been found to help diagnose causes of ecological impacts and suggest appropriate management actions (Karr and Chu, 1999). **dynamics of need-supportive and need-thwarting teaching ...** - builds on these suggestions by investigating reciprocal relationships between student engagement and disengagement and teaching behavior at a micro-level by looking into the teacher-student dynamics within the first 15 minutes of a physical education (PE) lesson. **extended family kinship following divorce: investigating ...** - extended family kinship following divorce: investigating ongoing relationships, social support resource, and role in family therapy Munevver Selenga Gürmen, PhD **a methodological approach to investigate interactive ...** - detection analyses aimed at investigating agents involved in innovative dynamics. additionally, an initial methodological step, based on the use of regression analysis, is made to describe the detected areas in which structures and processes and
